# PREFACE

This is a compilation of two family Bibles believed to have belonged to Robert Henry Chandler who lived and died in the State of Texas between the years 1855-1906.

Due to the reported very poor physical condition of the Bibles, photocopies that were made years ago are what we used as source images for this record. The general format that we used in this report is to first show the Bible page and then follow that image page with a transcription page of the genealogically significant information.

The first Bible that is presented here starts with its title page that lists a publication date of 1883.

The second Bible record starts with the Bible's Marriage Certificate Page.

An attempt was made to faithfully record the genealogical material as it appears on these bible record pages, including the original spelling, capitalization, and punctuation. A red asterisk ( \* ) after a name indicates that a note will appear toward the bottom of the page concerning this entry.
